The Beta Mug Press is a manually operated heat press for transfer printing, with accurate and easy operation. It is ideal for medium volume production.

The Beta Mug Press is a high quality manual machine suitable for most users. It has a wrap around heating element, digital micro-processor controller for accurate time and temperature settings, with audible buzzer alarm and easy operation.

The Beta Mug Press offers a compact design with durable construction and bottom suction cups for extra stability.

The heat element area of the Beta mug Press is 10 cm high x 8 cm diameter, (3.9 x 3.2 in diameter) and covering 300 degrees of the periphery of the mug.

Specifications

European Machine

Power Consumption	275 Watts
Power Supply	230-240 Volts AC
Working temperature	70-235°C
Display Timer Range	0 - 9.59 mins
Machine height	20 cms
Machine width (inc. handle)	66 cms
Machine depth	20 cms
Work area required	70 x 30 x 30 cms
Weight export packed	17 kg
Size export packed	63(L) x 30(W) x 36 cms(H)
Net weight	12 kg
Press pad dimensions	22 x 11 cms
Fuses	3.15 Double pole
A-weighted noise level	<70 dB(A)

Email: service@aadkins.com, sales@aadkins.com • Web: www.aadkins.com**DIGITAL CONTROLS****Digital Controls**

Our specially designed microprocessor controllers give accuracy for time and temperature settings, vital with today's heat transfers.

**HEAT PLATES
SILICONE PADS****Heat Plates - Silicone Pads**

All heat plates are covered with a protective TEFLON® coating and many are made of cast aluminium (cast aluminium heat plates carry a life-time warranty). Quality silicone rubber base pads are used to provide excellent transfer results every time.

APPEARANCE**Appearance**

To maintain the good appearance of the press all cast frames are powder coated. This proven baking system will protect the machine from discolouration and minor knocks and scratches.

OPERATORS MANUAL**Operators Manual**

Full specification and operating instructions on all aspects of the machines, electrical diagrams, exploded diagrams and parts list are included with every machine.

SERVICE - PARTS**Service - Parts**

You can always speak directly to our service department technicians for any technical support or information. We also carry spare parts for all of our machine range.

ACCESSORIES**Accessories**

We offer a range of detachable tables for various other operations requiring special sized platens for example, umbrellas, bags etc.

CONTACT**Contact**

We are always here to help.

**QUALITY
ENGINEERING & SAFETY****Quality Engineering & Safety**

Each press is individually hand-built. All ADKINS machines are built to the highest standards, we use only the best quality components, they are all tested to comply with the various safety regulations from around the world.
