The **Studio Mug Press** is made for quick and easy use and is ideal for medium production.

The **Studio Mug Press** is produced of cast aluminium for strength and durability.

The **Studio Mug Press** features an easy to use microprocessor controller for time and temperature accuracy, with simple pressure adjustment and easy loading operation.

The **Studio Mug Press** has a wrap round heating element of 11 x 23 cms (4 x 9 ins) but also accommodates a smaller element of 11 x 19 cms and is produced in two versions, nominally 220 Volts for the European market and 110 Volts for the American market.

### Specifications

### European Machine

Power consumption	280 Watts
Power supply	230 Volts AC
Maximum working temperature	260°C
Display timer range	0 - 9999 secs
Machine height open	41 cms
Machine height closed	38 cms
Machine width	17 cms
Machine depth	58 cms
Weight export packed	9.5 kg
Size export packed	43(L) x 28(W) x 33.5 cms(H)
Net weight	8.5 kg
Press pad dimensions	11 x 23 cms
Fuses	3 A

Our specially designed microprocessor controllers give accuracy for time and temperature settings, vital with today's heat transfers.

**HEAT PLATES  
SILICONE PADS****Heat Plates - Silicone Pads**

All heat plates are covered with a protective TEFLON® coating and many are made of cast aluminium (cast aluminium heat plates carry a life-time warranty). Quality silicone rubber base pads are used to provide excellent transfer results every time.

**APPEARANCE****Appearance**

To maintain the good appearance of the press all cast frames are powder coated. This proven baking system will protect the machine from discolouration and minor knocks and scratches.

**OPERATORS MANUAL****Operators Manual**

Full specification and operating instructions on all aspects of the machines, electrical diagrams, exploded diagrams and parts list are included with every machine.

**SERVICE - PARTS****Service - Parts**

You can always speak directly to our service department technicians for any technical support or information. We also carry spare parts for all of our machine range.

**ACCESSORIES****Accessories**

We offer a range of detachable tables for various other operations requiring special sized platens for example, umbrellas, bags etc.

**CONTACT****Contact**

We are always here to help.

**QUALITY  
ENGINEERING & SAFETY****Quality Engineering & Safety**

Each press is individually hand-built. All ADKINS machines are built to the highest standards, we use only the best quality components, they are all tested to comply with the various safety regulations from around the world.
