Machine Info:

The Beta Maxi is undoubtedly the best selling swing-away heat press on the market for over 25 years and is still the preferred press for leading distributors of Adkins machines.

The large 38 cm x 50 cm (15 in x 15 in) sized heat plate of this model is ideal for users that require larger pressing capabilities.

The foundation of the Beta Maxi press is the LM6 cast aluminium frame that delivers the highest, most consistent pressure on the market, plus excellent machine strength and durability, even in the most demanding environments.

The Beta Maxi is ideal for use with flex, flock, laser, sublimation, bonding, laminating, reactivation and DTG.
